1 This request is not made for the purpose of delay. Instead, this request is made  
 2 because this case was recently reassigned internally within defense counsel's firm and  
 3 new counsel requires additional time to familiarize himself with this matter and the  
 4 prior pleadings. This is the first request for an extension of this deadline. For good  
 5 cause shown, and not for delay, the parties request that their stipulation be granted.
